STUDENT TEACHING EXPERIENCE

Student Teacher, Sixth Grade Reading | Radnor Middle School

October 2026 to Present

- Deliver differentiated reading, grammar, and writing instruction for students with IEPs using explicit modeling and guided practice.
- Adapt lessons and monitor student performance to strengthen comprehension, written expression, and independence.

Student Teacher, Third Grade | Wayne Elementary School

September 2026 to October 2026

- Planned and delivered whole-class instruction in mathematics and ELA, incorporating engaging activities and formative assessments.
- Used STAR data, fluency assessments, and student performance to differentiate instruction and lead targeted mathematics MTSS groups.
- Established positive classroom routines and collaborated with teachers, specialists, and administrators during instructional and data meetings.

PROFESSIONAL EXPERIENCE

Registered Behavior Technician | Phoenix ABA

Radnor Middle School | September 2025 to June 2026
Ithan Elementary School | October 2024 to June 2025

- Delivered individualized academic and behavioral support to elementary and middle school students with disabilities, strengthening classroom participation, communication, and independence.

- Collaborated with teachers and related service providers to implement student-specific interventions and proactive classroom supports.

Preschool Teacher / Classroom Staff | Wentz Preschool
June 2024 to October 2024

- Led developmentally appropriate, hands-on learning activities in an inclusive preschool classroom, adapting instruction to support children with diverse learning, communication, and developmental needs.

Registered Behavior Technician | Pediatric Therapeutic Services, Wayne Elementary School
September 2023 to June 2024

- Implemented individualized behavior plans and classroom accommodations to support academic participation and independence.
- Collaborated with school staff to promote inclusive learning and positive classroom routines.
- Recognized as Employee of the Month, January 2024.

Program Support Staff | Variety Club, Children's Charity of the Delaware Valley
Summers 2022 and 2023

- Supported children with significant disabilities through individualized communication, sensory, and behavioral strategies while promoting independence and inclusion.

Direct Support Professional | Kaleidoscope Family Solutions
May 2020 to August 2022

- Facilitated individualized socialization and independence-building activities for individuals with disabilities, including virtual sessions with a child during COVID-19.

Peer Tutor | King's College
August 2020 to April 2022

- Provided individualized and small-group tutoring to 20+ college students, adapting instruction to diverse academic needs.
- Earned CRLA Tutor Certification, April 2022.
